JESUS Film Harvest Partners
shares God's love with the lost to help fulfill the Great Commission!

JESUS Film Team Sponsorship Level - \$15,000

Sponsor teams throughout the world. Teams consist of nationals who work tirelessly to reach their country with the Gospel, sometimes at great personal risk. Teams focus their effort in a specific area for one month, showing the JESUS Film, doing follow-up with new believers, and helping to plant a new mission church. Add **104685** to your check or visit <http://www.JFHP.org/Donations/>

New Equipment Sponsorship Level - \$6,000

Equip teams with tools to reach the lost. JESUS Film teams need screens, projectors, generators, sound systems, and other equipment that enable the lost to see and hear about Jesus. Some teams are handicapped by worn out equipment. Add **104692** to your check or visit <http://www.JFHP.org/Donations/>

Proclaimer Sponsorship Level - \$3,000 (Bundle of 30)

Provide a Proclaimer, a digital player with an audio dramatization of the New Testament, to spread God's Word to the world's pre-literate population in their heart language. It can be used in remote areas for small groups or crowds up to 200 people. Ministry leaders report the Proclaimer is a great tool for follow-up after people see the JESUS film. Add **104709** to your check or visit <http://www.JFHP.org/Donations/>

Pastor's Tool Kits Sponsorship Levels \$195 / \$1495

Provide a Tool Kit to new mission churches. A strategic outcome of the JESUS Film is new church plants; many have pre-literate leaders. The kits provide orality tools for evangelism and discipleship. The **Basic Kit (\$195)** includes tools for one-on-one or small group settings. The **Village Kit (\$1495)** includes the basic kit, a small projector, screen, public address system, and sound system for groups of 10 to 100. Add **104713** to your check or visit <http://www.JFHP.org/Donations/>

\$1 A Day Harvest 120 Sponsorship Level - \$360

Help win one person to Christ, every three days (*120 Decisions per year*). Based on historical averages, for every \$1 invested in JESUS Film Harvest Partners, 3 evangelistic contacts are made; for every \$3 invested, 1 person makes a decision for Christ. Add **104721** to your check or visit <http://www.JFHP.org/Donations/>
