Josh & Shannon are intern missionaries for the Church of the Nazarene. They arrived in Spain on July 2, 2010. They previously served as Mission Corps volunteers in Guatemala and Kazakhstan.

They will be working with church development. Josh is also going to be working with Theological Education.

Josh is an outgoing, energetic morning person. He loves playing basketball with the guys and watching football. He also enjoys Starbucks with his wife. He loves to preach and teach and is always interested in learning new things. Josh will ride any roller coaster he finds and loves amusement parks. He also loves being outside as much as possible. Josh feels strongly that chocolate is the only true form of dessert!

Shannon is a laid back, fun loving "people person." She loves to read when she has a spare moment and enjoys watching romantic movies. She loves taking pictures of her family and their adventures. She also enjoys putting together family photo albums. Shannon loves her morning coffee and thinks a Starbucks gift card is perfect for any occasion!

Karis is an outgoing little girl who absolutely loves all of the Disney princesses! She loves to play dress-up in her princess dresses. She loves pink and purple and anything with sparkle! She is learning to read and loves books of all kinds. She also likes gymnastics and soccer. She loves animals and really wants a pet! Karis got her first CD player for Christmas and loves to listen to music. She loves suckers and chocolate!

Kaeden is a very active and affectionate 2-year-old! He loves dinosaurs and Thomas the train. He loves trains in general though, not just Thomas! He also loves small action figures, and Spider Man is one of his favorites. His favorite colors are red and blue. He loves to kick a soccer ball around but likes basketball and football as well. Kaeden loves food of any kind and enjoys suckers when he gets a candy treat!
